## Review of your Carer's Allowance overpayment

Dear John Smith

You contacted DWP to explain that you had an overpayment of Carer's Allowance related to your employed earnings between 10 April 2015 and 2 September 2025.

### Why you are getting this letter

We are reviewing all Carer's Allowance overpayments relating to employed earnings between 10 April 2015 and 2 September 2025. We need to make sure carers got the correct decisions. Your overpayment happened during this time and will be included in this review.

### What does this means for you

The review of your overpayment will not result in you owing DWP more money.

Once your case has been reviewed, we may refund you.

If you are currently paying back a Carer's Allowance overpayment to DWP, you must continue to pay.

### What happens next

You do not need to contact Carer's Allowance or do anything.

We will:

- review your overpayment
- contact you if we need further information
- contact you to let you know the outcome

We have many different ways we can communicate with you.

If you would like braille, British Sign Language, a hearing loop, translations, large print, audio or something else please tell us using the phone number at the top of this letter.

We may write to you for more information or send you an SMS message before calling you. This number may show as withheld or start with 0800.

A DWP message will never ask for your bank or personal details. If you think you have received a scam SMS message, you should:

- report the scam to “Action Fraud” by forwarding the text message to 7726 (it is free of charge)
- block the telephone number
- delete the message without clicking on any links

**If you are struggling to afford your payment plan**

We can help you manage the money you are paying back to us. To talk about your options, including what you can afford to pay, call us on 0800 916 0647.

Yours sincerely,

Office manager
